RENEWED PETITION UNDER 37 C.F.R. § 1.78(a)(3)

Mail Stop Petition
 Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

Sir:

This is responsive to the Dismissal of the Petition Under 37 C.F.R. § 1.78(a)(3) filed on July 16, 2004, which was mailed to Applicants on March 1, 2007.

As requested in the correspondence dated March 1, 2007, Applicants hereby submit this Renewed Petition Pursuant to 37 C.F.R. § 1.78(a)(3) and respectfully petition for the acceptance of the priority claim not submitted within the requested time period. As required by 37 C.F.R. §1.78(a)(3)(i), Applicants submit herewith an updated ADS pursuant to 37 C.F.R. § 1.76 that identifies the relationship of the applications required by 37 C.F.R. §1.78(a)(2).

The delay for entry of the priority claim in the above-identified patent application was unintentional and the entire delay in the filing this renewed petition was also unintentional.

Since the above-captioned application has been finally rejected, pursuant to M.P.E.P. 201.11(F)(A) Applicants understand that entry of the updated ADS may be required by the Examiner under 37 C.F.R. § 1.116. Therefore, if any action is required on the part of the Examiner, prompt notification and instructions to the undersigned attorney is respectfully requested.

Applicants have already submitted the fee of \$1330.00 as set forth in 37 C.F.R. § 1.17(t). However, the Commissioner is hereby authorized to charge any additional fees or credit any overpayments to Deposit Account No. 04-1420.

Respectfully submitted,

DORSEY & WHITNEY LLP
Customer Number 25763
